The poster features a central title 'Tethys' in a stylized green font with a globe-like graphic behind it. Below the title, there are three inset images: a black and white photo of a workshop, a photo of a man sitting on a rock by a stream, and a landscape photo of a mountain valley. A list of ten topics is provided in the center-right, and the episode count '10 episodi da 30'' is at the bottom left. At the bottom of the poster, a man in a suit stands with his arms outstretched against a background of abstract green and blue lines.
