The Mongolia Motorbike Marathon is an amazing trip into the last country with a nomad population. Seventeen motor lovers, men and women with one common goal: to discover Mongolia on a Mustang, the most widespread bike in the country. An adventurous trip into the diversities of this unbelievable country. The crowded capital alone counts the 40% of the entire population, multitudes of land where your sight gets lost "gher", old monastery ruins in between rocks ,natural parks into a rigorous nature, beautiful Canyon crossed by birds, dunes of sand in the Gobi desert, amazing green valleys. A trip that gets in touch with culture as well, tradition and religion of an amazing population, humble and hospitable whom welcomed all people warmly. An enthusiastic series, adventurous, charming, which brings the actor to old monasteries and natural surroundings and amazing beautiful, losing yourself into the ancient culture and tradition of Mongolia.
